Religious exemptions are no longer accepted. This does not impact an approved or submitted Medical exemption request. No alternative options for fully remote staff at this time.

**Subject:** Vaccine Mandate Exemption

Good Afternoon.

What are the options for an employee whom had a previously approved medical exemption which is now voided due to the change in NYS Religious Exemptions?

Can there be alternative options for employees whom are fully remote? Can they agree to weekly testing and 100% Mask compliance?

Thanks in advance.
